Coach Krusey and the Mason City Football Staff would like to invite everyone interested in football and entering school in the fall of 2019 to participate in our summer football camp. This is a non-contact camp focusing on teaching players the fundamentals of all positions on the field. The campers will receive individual and group instruction on offense, defense and special teams throughout the camp. We will focus on the fundamentals of football as well as character development. This camp will take place on the Mohawk Practice Fields (east end of Mason City High School parking lot). I hope your child is able to join us and help set the foundation in place to build fun and successful football programs in Mason City. Please call/text Coach Krusey with questions at 319-239-5941.
